Plastic Safety Interlock Switches with Solenoid Lock - Model: LJS-TE

The LJS-TE Series is a plastic safety interlock switch with solenoid lock that offers performance similar to the LJS-E Series but in a more economical plastic housing.

Features

- UL / CSA / CE marking is provided
- Forced contact-opening mechanism (N.C. contact only)
- Superior IP67 seal
- Double -insulation structure with plastic housing (no grounding line connection is required)

Plastic Safety Interlock Switches - Model: LJS-PA

The LJS-PA Series are plastic safety interlock switches that meet global requirements.

Features

- UL / CSA / CE markings provided
- Forced contact-opening mechanism (N.C. contact only)
- Compact size and superior IP67 seal
- Double-insulation structure with plastic housing (no grounding line connection required)
- Wide operating temperature range (-25 to +70 °C)

Die-Cast Safety Interlock Switches with Solenoid Lock - Model: LJS-E

The LJS-E Series are safety interlock switches with a die-cast housing for better durability and are available either locked on energized solenoid or de-energized.

Features

- UL / CSA / CE marking is provided
- Forced contact-opening mechanism (N.C. contact only)
- Superior IP67 seal
- Indicator is provided as a standard feature

Die-Cast Safety Interlock Switches - Model: LJS-A

The LJS-A Series are Solid die-cast safety interlock switches enabling general industrial machines to comply with EC directives and to acquire CE marking.

Features

- UL / CSA / CE markings provided
- Forced contact-opening mechanism (N.C. contact only)
- Superior IP67 seal

Compact Plastic Safety Interlock Switches - Model: LJH

The LJH Series are compact plastic safety interlock switches that are conform to EN60947-5-1, UL 508, and CSA 22.2.14 standards and are perfectly suited for semiconductor manufacturing systems, electronic component insertion machines and other general industrial machines.

Features

- Forced contact-opening mechanism (N.C. contact only)
- Compact size (78 x 30 x 15 mm) ensures installation anywhere
- Special tongued key can be inserted either vertically or horizontally
- Pre-wired cable is available
